CITY CHURCH

2016
ANNUAL
REPORT

If I had to sum up 2016 in a simple phrase, it would be this: ONLY GOD. Those words have come off my lips more than ever before in the past 12 months.

Only God could provide what we needed.
Only God could remove that hurdle.
Only God could open that door.
Only God could change that person's life.
Only God could keep growing our church.
Only God could move people toward that kind of generosity.
Only God could restore that kind of brokenness.

I have no idea why God continues to bless us like He does, and I'm fascinated by the influence He continues to give us in our community and world. Mostly, I'm humbled and amazed that He allows us to be a part of it all. ONLY GOD could've accomplished all that took place in 2016, and every ounce of credit and praise is His and His alone!

While this report does not fully capture every ONLY GOD moment we've experienced, it does display in numbers the work He's accomplished in and through our church. I pray as you read it, you'll take time to thank God for His faithfulness and for the opportunities He's provided us to impact His Kingdom. Also, I hope it serves as an encouragement for you to keep investing in the important work and ministry of CrossPoint City Church.

Believing the best is yet to come,

Pastor James

“To us, CrossPoint means love. We all fall short of His glory and He loves us still. CrossPoint does the same. No matter where you are or where you have been, CrossPoint shows people God’s love and lives out its mission. We love being a part of this incredible family and working to serve His kingdom.”

THE CHURCH IS A PEOPLE, NOT A PLACE

“One thing Crosspoint means to me is COMMUNITY. It's not just a “church family”, but my FAMILY, especially on our Creative Team. They are all people who I can call on for help, and I know they would be there in a heartbeat. We worship, pray, laugh and do life together, and it expands beyond just our Sunday Gatherings. I love my team and my church!!”

COMMUNITY CARE STATISTICS

Over the past 12 months, CrossPoint has served our community in some amazing ways. Through BLESS Weekend, Hope for Christmas and the BLESS Coalition we've touched the lives of thousands of people. While we can't correctly measure every act of community care performed by CrossPoint Groups and individuals, we can measure these events we participate in TOGETHER. The numbers below provide insight into these community projects, along with the time, effort and resources given to make them happen.

BLESS WEEKEND

During our 2016 BLESS Weekend we built a community walking trail, hauled away trash from 350 homes, donated food to the Allatoona Resource Center Food Pantry and provided every homeroom teacher from Allatoona Elementary with school supplies.

HOPE FOR CHRISTMAS

Through Hope for Christmas we provided a great Christmas experience for families in need in the Allatoona and Bartow County area. Each family received food, gifts for kids, gifts for parents, coats and more. Our team of 500 people served 1,250 guests, giving away \$60,000 worth of food, gifts, coats and toys.

BLESS COALITION

The Bless Coalition has been created to give us the ability to greatly increase our project load and impact in the Allatoona community through local church and civil partnerships. Through the Bless Coalition another location of The Street Store opened in Allatoona in the Fall of 2016. Through The Street Store, 600 people were provided with winter clothing this year and we replenished the Allatoona Elementary School Clothing Closet.

In an effort to relentlessly pursue those far from God with the hope and love of Jesus, we partner each year with organizations both in our community and around the world. These partnerships provide our church the opportunity to give and serve in ways that set our partners up for success and make a lasting impact on the lives of people. ***Below is a quick look at the impact CrossPoint made in 2016 through our partnerships.***

COMMUNITY

- We supported the Bartow Family Resource Center by purchasing diapers and wipes for mothers in need.
- During Love Month, CrossPoint Kids invested \$800+ in random acts of kindness throughout our community.
- We hosted our first Global Leadership Summit to invest in 100+ church and community leaders.
- We partnered with Family Promise Bartow to help find permanent housing and jobs for 17 homeless families.
- We served meals to the homeless twice a month through Friendship Table and Good Neighbor Shelter.

WORLD

- Our CrossPoint Students invested \$2,000 and time to build a Sunday School classroom in Nicaragua.
- CrossPoint Kids created Blessing Bags to send with our Bolivia Team to hand out to children in Alegria, Bolivia
- Our CrossPoint mission team built subsistence farm gardens, provided computers and medical programs to people in need in Alegria, Bolivia.
- We sent 2 teams to Burkina Faso to build Church Hangars (cost of each hangar is \$5,000) for the Djan people, an unreached people group.
- 103 unreached people in Burkina Faso said Yes to Jesus through the ministry of CrossPoint!
- 2 well drilling teams were sent to Burkina Faso and they dug a total of 7 wells.
- We supported Pastor Sylvan, our local pastor in Burkina Faso, to the Djan people.
- We gave \$1,200 to Café 1040 for missionary care.

WE SERVE BECAUSE
JESUS SERVES

“

“When we think about what CrossPoint City Church means to us, we think, LIFE CHANGING! This is the church we have been looking for where our whole family gathers and grows. It is a big church, but they truly invest in their members.

We are not just a number here. It's a church with Biblical teaching, powerful prayers, meaningful relationships, strong leadership, amazing worship, a deep desire to reach the lost and serve the needy, encourages living on mission, and unshakable faith. For all of these reasons, being a part of this true authentic church has made our family grow spiritually and has changed us from the inside out.”

“I like the way it teaches us that God made everything!”

Over the last 12 months, the people of CrossPoint continued to grow in generosity. As a result our operating budget has grown, allowing us to accomplish more, save more and give more away. We work hard behind the scenes to make sure that every dollar given to CrossPoint is stewarded well. We also undergo a year end financial financial audit to ensure that we're operating with integrity in this area.

"My husband and I grew up with very different backgrounds and CrossPoint is the one place we can meet in the middle. We absolutely adore this church and the people who have wrapped their arms around us. We have been a part of CrossPoint for about 3 and a half years now and genuinely have grown closer to God while growing closer to each other in the very best way. We thought we loved God before coming to CrossPoint but this church has challenged and grown our faith more than we could have ever imagined. We've made friends we probably would have never known through different small groups and serving areas. We can't wait to raise our kids in such a wonderful church surrounded by such amazing people. We are so proud to be a part of this church."
