

2019 MINISTRY PLAN

come let us adore Him
Christ the Lord

**CROSSPOINT
CITY CHURCH**

FROM PASTOR JAMES

We have a conviction at Crosspoint City Church that **GIVING CHANGES PEOPLE**—and not just people who receive, also those that give.

This conviction is founded upon the belief that our God is extremely generous. He's blessed us with every good gift that we enjoy in life (James 1:17), and He's also given us the greatest gift imaginable: Salvation through His Son, Jesus Christ (2 Corinthians 8:9). Since each of us is made in His image to reflect His likeness to the world, our giving naturally and supernaturally makes us more like Him! In the process, He uses our giving to change lives and expand His Kingdom. This is why we make it a regular practice at Crosspoint to celebrate financial generosity.

Each year the Crosspoint Staff Team works together with ministry leaders, our Stewardship Team, and Elders to craft a strategic Ministry Plan for the upcoming year. The purpose of this plan is two-fold: First, its creation forces our team to seek God diligently concerning the work He wants us to accomplish as a church. Secondly, the finished plan shows how your giving will be used so that you know the impact it will make in the lives of real people who need Jesus.

In the following pages here's what you'll find:

- 2019 objectives and expected returns for each area of ministry at Crosspoint
- A breakdown of our total operating budget
- A summary of our financial practices and safeguards
- Contact information in case you have questions about this plan

As you read this Ministry Plan I want you to prayerfully consider how God wants you to invest financially in the mission of Crosspoint in 2019. If you have questions about this plan or financial giving in general, contact our offices at any time. I pray what you find in the following pages inspires you toward greater generosity in the coming year!

We Give Because God Gives,

ADULTS

1.

**OBJECTIVE: TO
CREATE A STRONGER
CULTURE OF BIBLICAL
HOSPITALITY BY BETTER
PREPARING NEW
CONNECTION TEAM
MEMBERS FOR SERVICE
AND BETTER PASTORING
CURRENT SERVE TEAM
MEMBERS.**

As a Connections Team, it is important that we equip our Serve Team Members in a way that drives fulfillment in serving and excellence in training. One way that we plan to accomplish this is by creating a series of tutorial videos that help merge practical Serve Team training with our vision for biblical hospitality. These videos will be used as the guide in training and will be accompanied by competencies to ensure that, as we add new members to the team, we are fostering and building a culture that is bent on reflecting the love of Jesus to members and guests.

EXPECTED RETURN: By implementing this new form of training, we believe that we will equip our Serve Team Members to become confident in their unique roles before their first Sunday of serving and help shape a God-honoring and biblical approach to hospitality. Through these changes, we are confident that our Connections Team will not only grow numerically but also create a culture that has a spiritual depth, understanding the value and power of serving others as Jesus first served us.

DUE DATE: JANUARY 2019

2.

**OBJECTIVE:
TO ENGAGE
MORE PARENTS
IN A CROSSPOINT
GROUP BY PAYING
FOR CHILDCARE
ON AN AS NEEDED
BASIS.**

Childcare is an ongoing challenge for many Crosspoint Group members to navigate. Often families cannot connect to a group if childcare is not offered. In 2019, Crosspoint Groups will offer a childcare reimbursement to help offset any cost incurred on the group.

EXPECTED RETURN: By implementing a childcare reimbursement system, we expect to see the number of Crosspoint Groups offering childcare increase in 2019. By increasing the number of groups with childcare, we believe more people will be able to connect in community than ever before. This system will help remove a major obstacle for families that want to be discipled, but have a challenge finding childcare each week.

DUE DATE: MARCH 2019

3.

**OBJECTIVE:
TO EQUIP ADULTS
PERSONALLY,
THEOLOGICALLY,
AND MISSIONALLY
THROUGH
CROSSPOINT
TRAINING.**

Beginning in 2019, Crosspoint will launch a new structure for teaching and training for adults. Crosspoint Training will be designed to supplement the spiritual development that is taking place in Crosspoint Groups. Crosspoint Training will be an addition to the forum plan that was introduced in 2018.

EXPECTED RETURN: By launching Crosspoint Training in 2019, we believe this will help equip adults to grow in specific areas of life and faith. By having a better understanding of Scripture, theology, and a deeper knowledge of God, we believe this training will benefit adults at all stages. Crosspoint Training will be accessible for people both new and familiar to theological training.

DUE DATE: AUGUST 2019

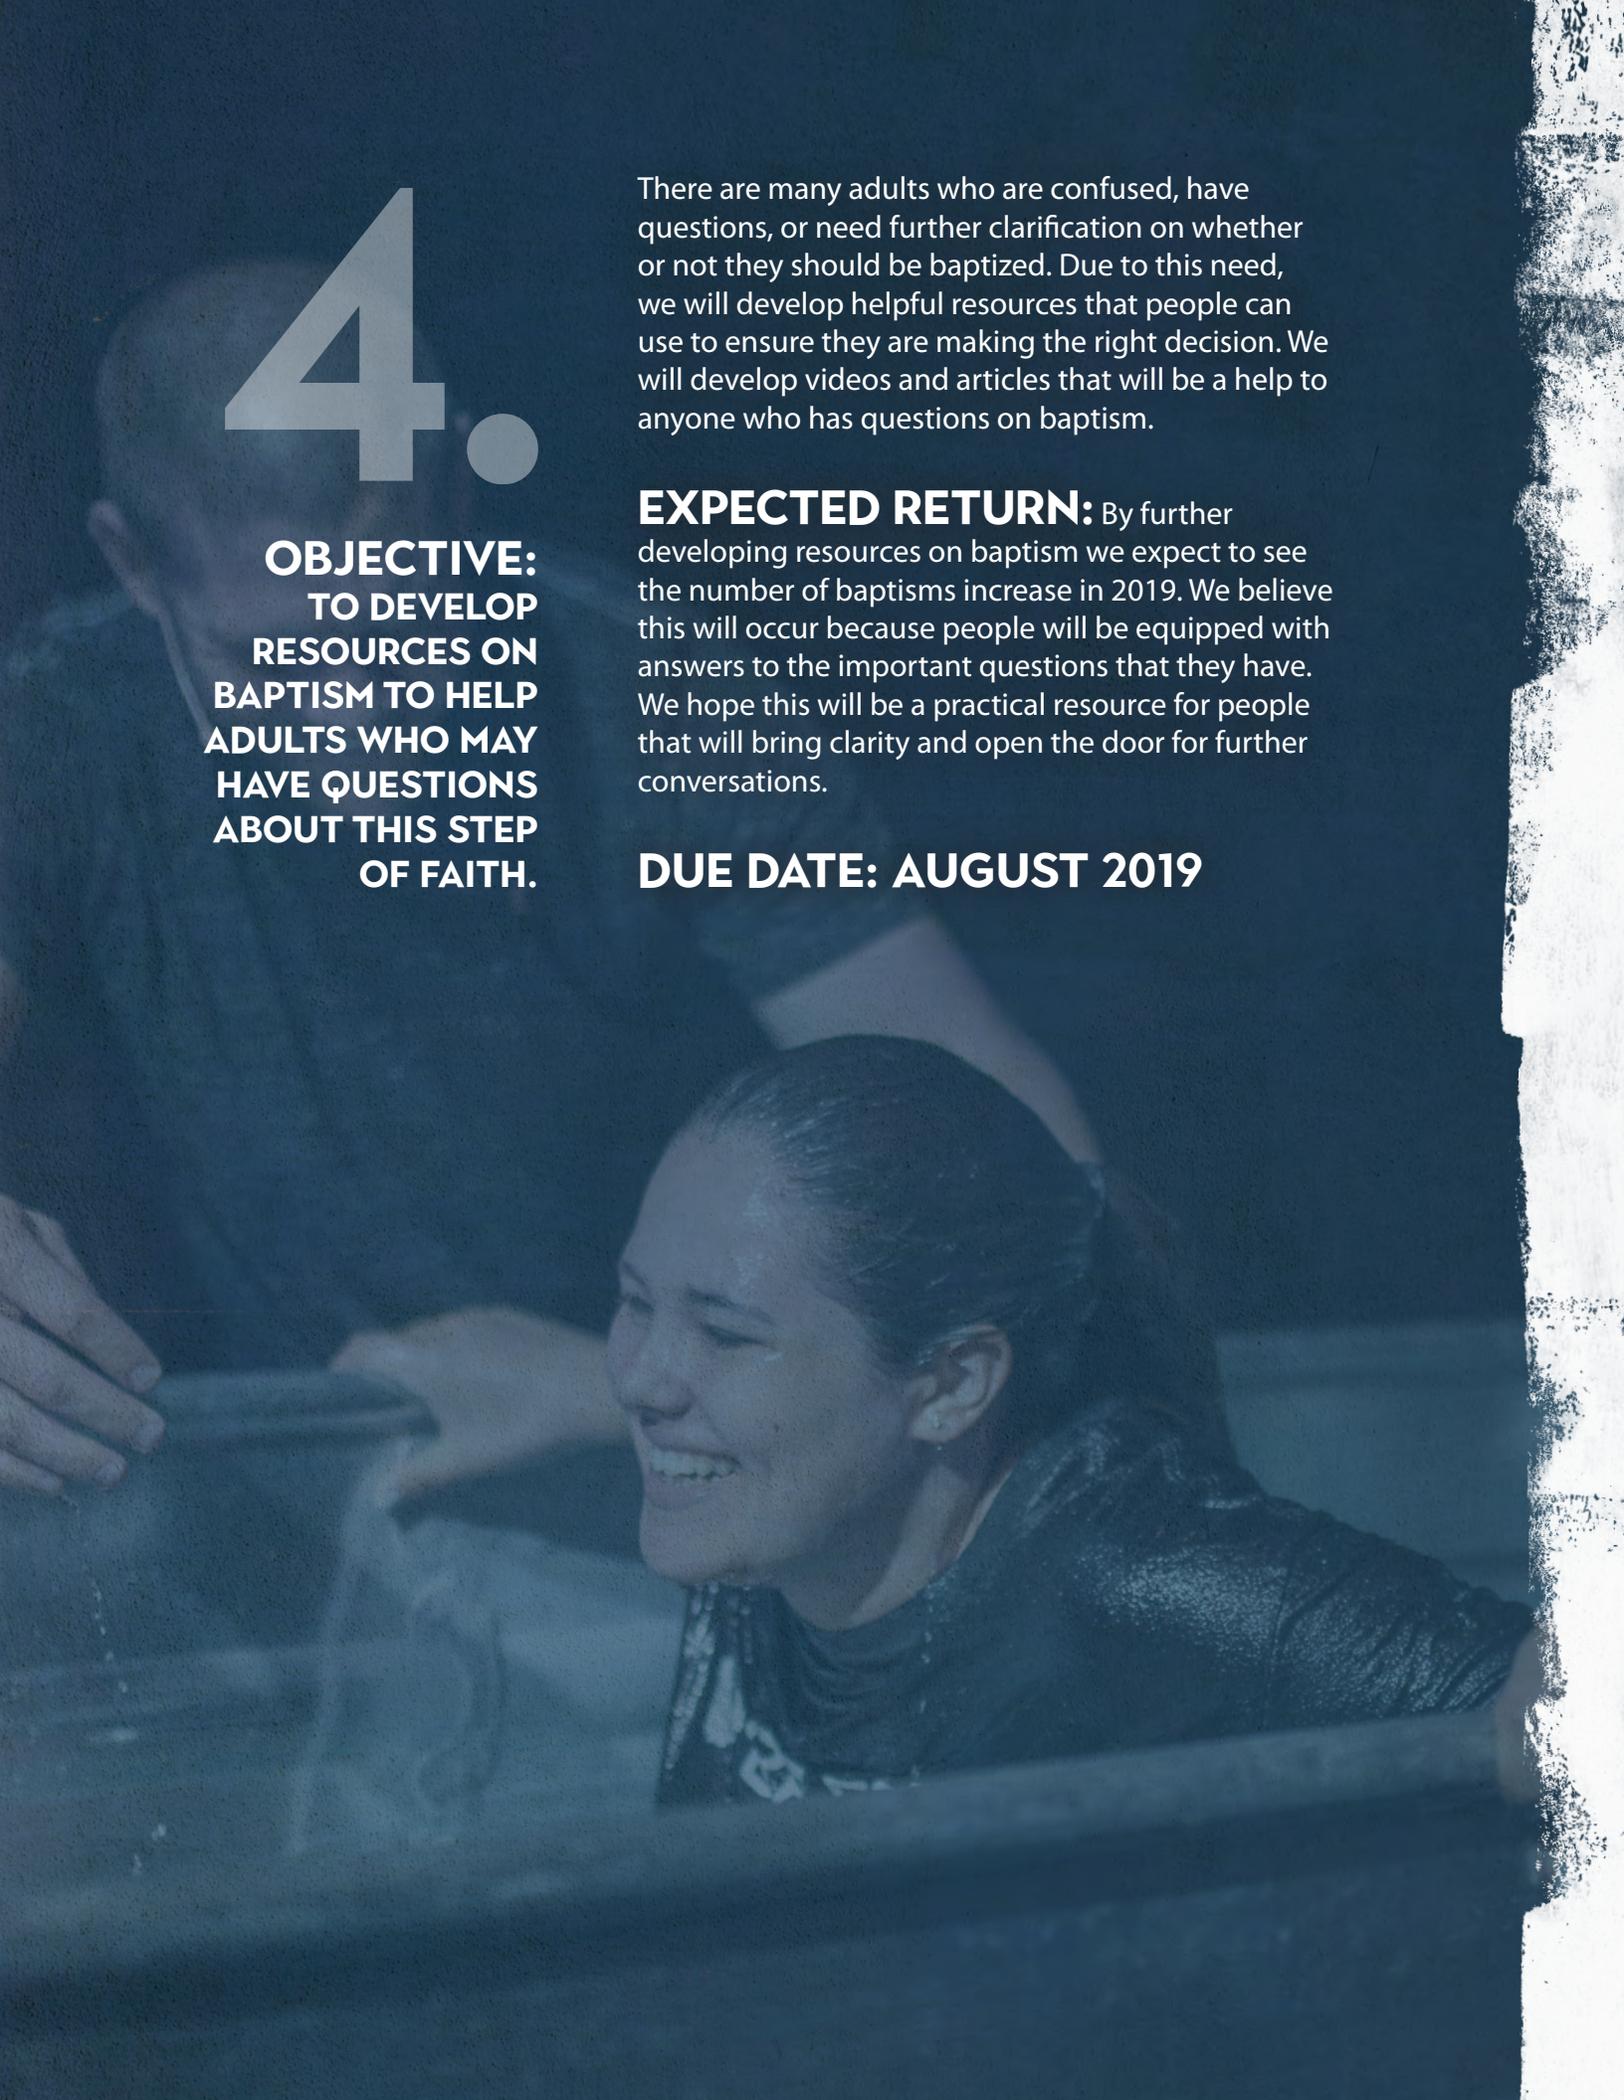

4.

**OBJECTIVE:
TO DEVELOP
RESOURCES ON
BAPTISM TO HELP
ADULTS WHO MAY
HAVE QUESTIONS
ABOUT THIS STEP
OF FAITH.**

There are many adults who are confused, have questions, or need further clarification on whether or not they should be baptized. Due to this need, we will develop helpful resources that people can use to ensure they are making the right decision. We will develop videos and articles that will be a help to anyone who has questions on baptism.

EXPECTED RETURN: By further developing resources on baptism we expect to see the number of baptisms increase in 2019. We believe this will occur because people will be equipped with answers to the important questions that they have. We hope this will be a practical resource for people that will bring clarity and open the door for further conversations.

DUE DATE: AUGUST 2019

CROSSPOINT KIDS

**PARTNERING
WITH FAMILIES
TO HELP KIDS
KNOW AND
FOLLOW JESUS**

PRE- SCHOOL

**OBJECTIVE: TO
ENCOURAGE AND
EQUIP PARENTS OF
PRESCHOOLERS IN HOW
TO HAVE DISCIPLESHIP
MOMENTS BY PROVIDING
PLACEMATS THAT
COINCIDE WITH
OUR PRESCHOOL
CURRICULUM.**

Discipling children can and needs to happen in moments throughout the week at home (Deuteronomy 6). Mealtimes are a great time for discipleship conversations. We will provide themed placemats that coincide with our Preschool Curriculum. These placemats will help parents engage their child in discussing the Bible Story, memorizing the monthly memory verse, and providing fun activities to partner with the learning kids experience on Sunday.

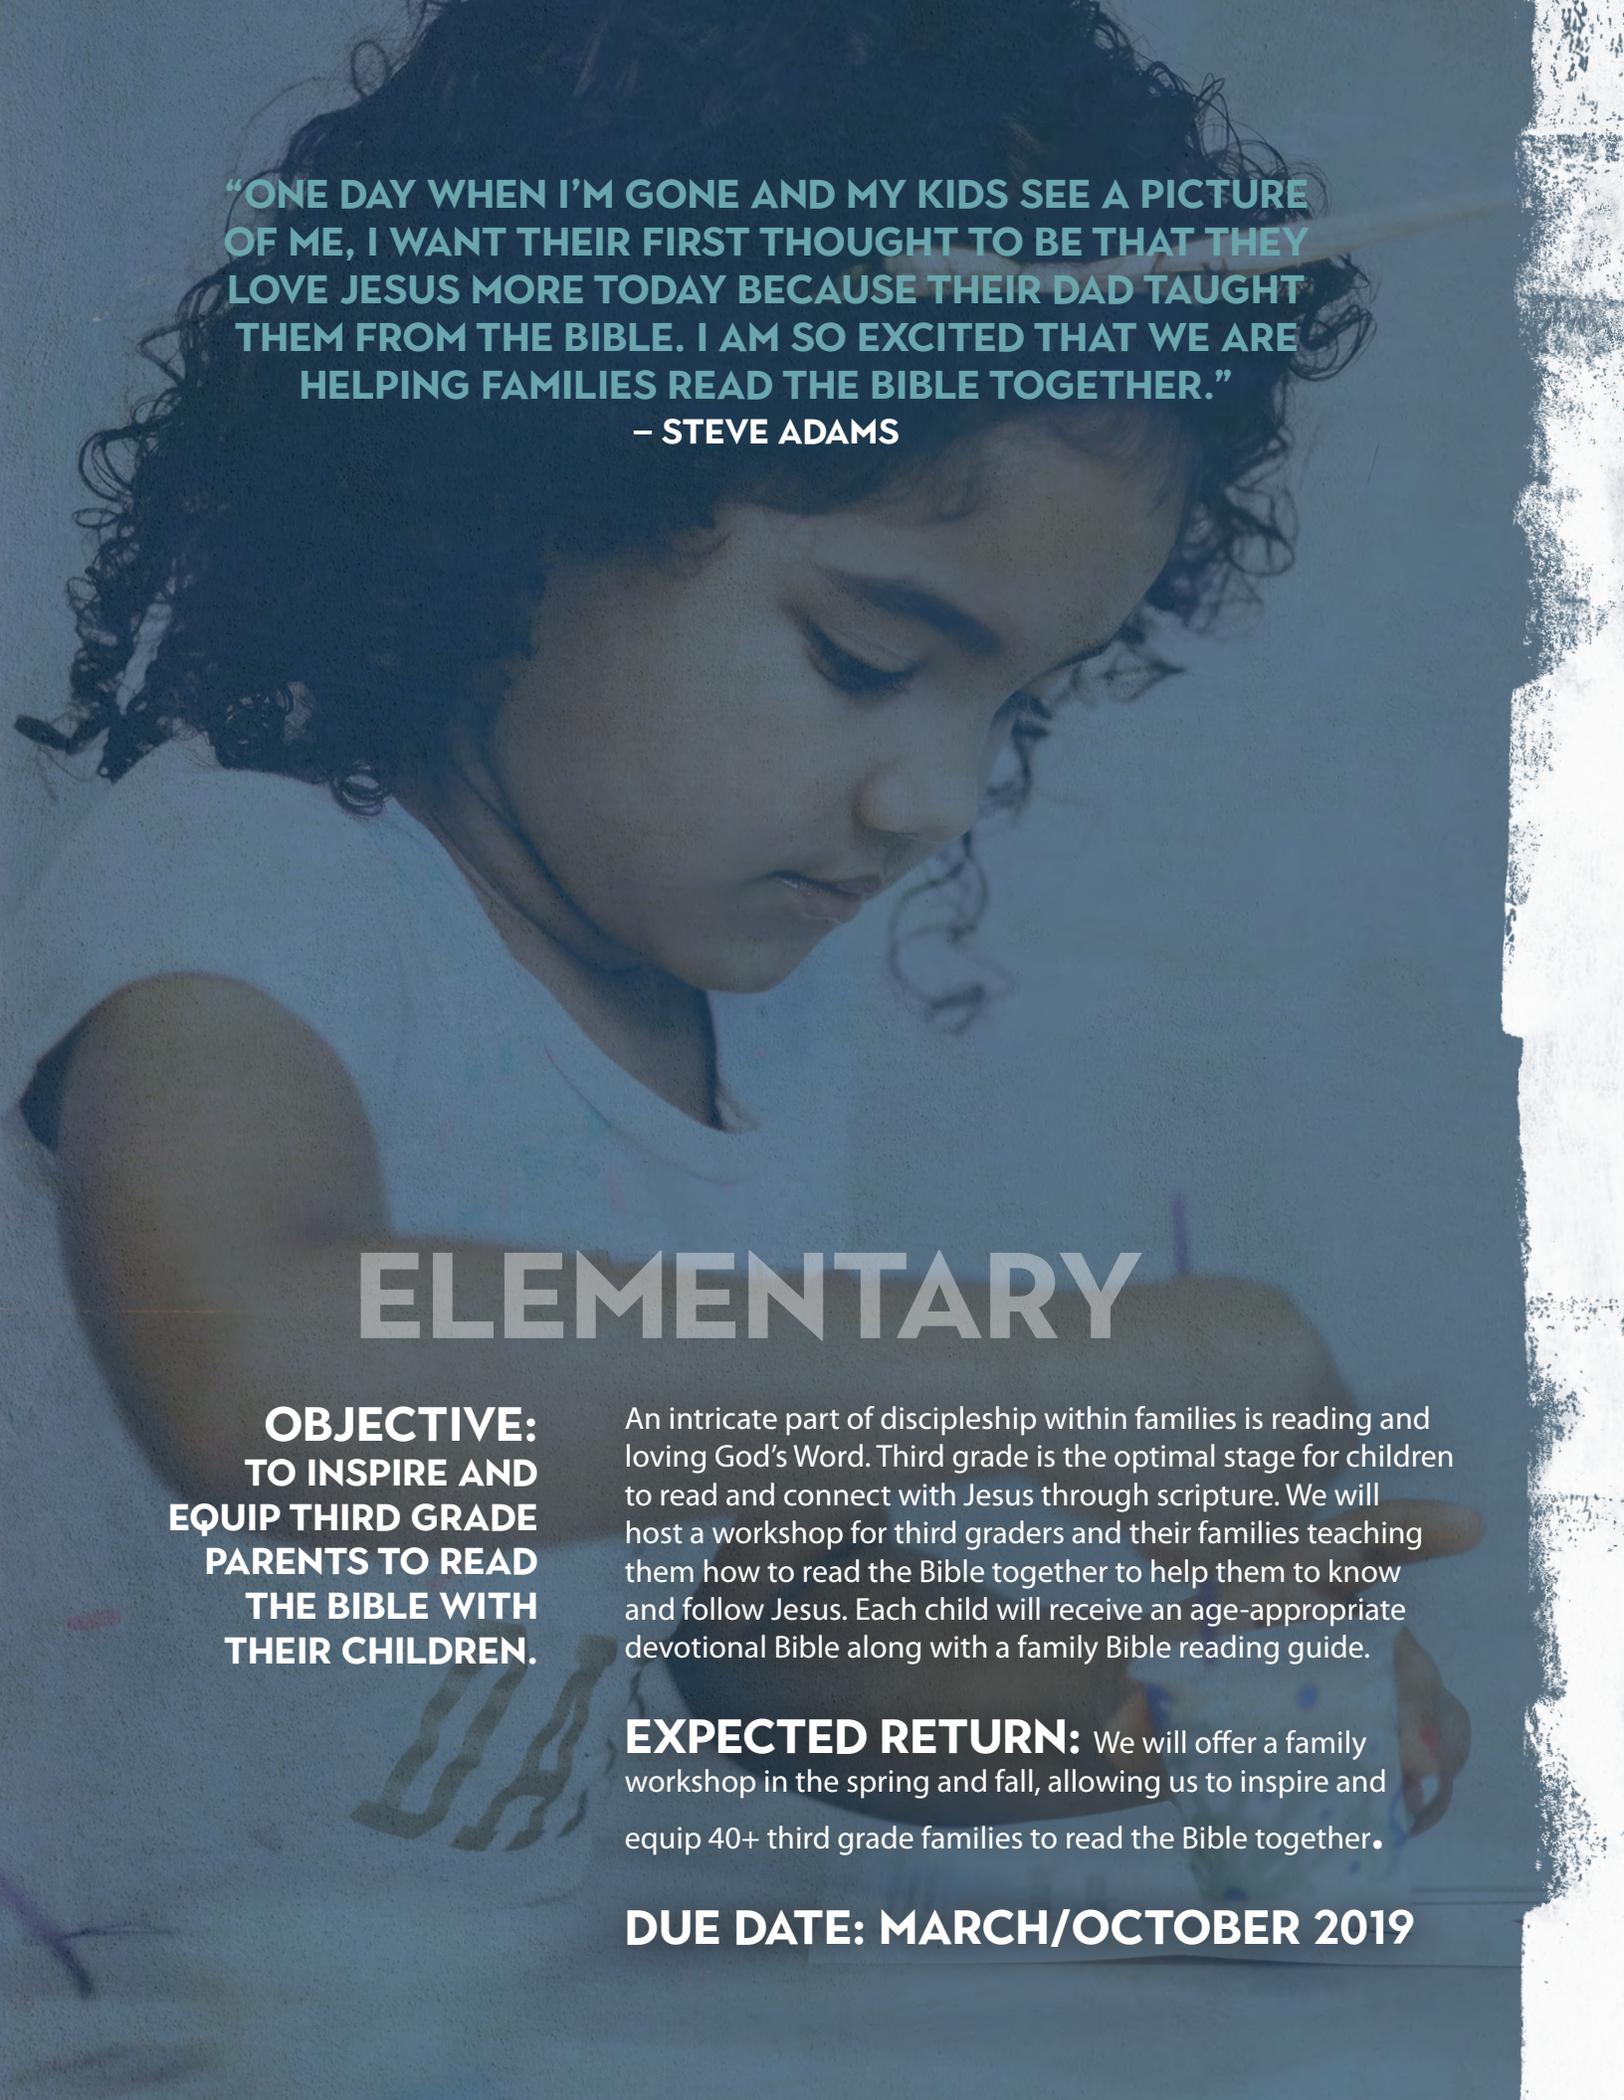

EXPECTED RETURN: Placemats will be distributed each month to all attending preschool-aged kids. We expect that parents will be able to engage their child in memorizing scripture, to talk about the Bible Story, and to engage in conversations that facilitate discipleship moments at home.

DUE DATE: JANUARY 2019

“I FEEL LIKE MY KIDS ARE EATING OR SNACKING ALL THE TIME AND I’D LOVE A DAILY REMINDER OF WHAT I CAN BE CHATTING WITH THEM ABOUT WHEN I HAVE THOSE FEW MOMENTS OF A CAPTIVE AUDIENCE.

MEALTIME CAN EASILY BE A NEGATIVE TIME IN THE TODDLER YEARS, SO REALIGNING MY FOCUS TO BE INTENTIONAL ABOUT THE CONVERSATION AND NOT JUST FORCING ONE BITE OF BROCCOLI IS SOMETHING I’D LOVE TO HAVE A REMINDER OF!”

– REBEKAH WARREN

“ONE DAY WHEN I’M GONE AND MY KIDS SEE A PICTURE OF ME, I WANT THEIR FIRST THOUGHT TO BE THAT THEY LOVE JESUS MORE TODAY BECAUSE THEIR DAD TAUGHT THEM FROM THE BIBLE. I AM SO EXCITED THAT WE ARE HELPING FAMILIES READ THE BIBLE TOGETHER.”

– STEVE ADAMS

ELEMENTARY

**OBJECTIVE:
TO INSPIRE AND
EQUIP THIRD GRADE
PARENTS TO READ
THE BIBLE WITH
THEIR CHILDREN.**

An intricate part of discipleship within families is reading and loving God’s Word. Third grade is the optimal stage for children to read and connect with Jesus through scripture. We will host a workshop for third graders and their families teaching them how to read the Bible together to help them to know and follow Jesus. Each child will receive an age-appropriate devotional Bible along with a family Bible reading guide.

EXPECTED RETURN: We will offer a family workshop in the spring and fall, allowing us to inspire and equip 40+ third grade families to read the Bible together.

DUE DATE: MARCH/OCTOBER 2019

“I HAVE LEARNED THAT PARENTS TRULY WANT TO BE GOOD PARENTS AND LEAD THEIR KIDS TO FAITH IN JESUS BUT THEY EXPRESS TO ME OVER AND OVER, ‘I DON’T KNOW HOW.’ THE ONLINE MINISTRY TO PARENTS RESOURCE WILL BE A LIFELINE TO PARENTS AND ULTIMATELY HELP THEM THRIVE IN PARENTING.”

–TONY CAMP, KIDS PASTOR

PARENTS

OBJECTIVE: TO ENCOURAGE AND PROVIDE RESOURCES TO PARENTS, EMPOWERING THEM TO BE THE SPIRITUAL LEADERS IN THEIR HOMES.

Parents face overwhelming challenges in their parenting—much less trying to lead their children to know and follow Jesus. We will encourage our parents by equipping them with an all-encompassing online resource from Ministry to Parents. Utilizing our membership with Ministry to Parents, we will provide parents with practical tips and skills in parenting to aid in the spiritual development of their children.

EXPECTED RETURN: We will see 75 families engaging and utilizing the Ministry to Parents resources.

DUE DATE: JUNE 2019

KIDSCAMP

OBJECTIVE: TO PURSUE RELATIONSHIPS WITH OUR SURROUNDING NEIGHBORS TO BRIDGE THEM THROUGH KIDSCAMP TO CROSSPOINT AND, ULTIMATELY, TO JESUS.

God has placed us in the middle of neighborhoods and apartment communities for a reason. KidsCamp provides a Gospel-centric experience for kids and families to connect to the church and to Jesus. We will go and meet people where they live, providing a block party type event to build relationships. Through these relationships we will offer invitations to KidsCamp and Crosspoint.

EXPECTED RETURN: We expect to build relationships and connect 25 new families to KidsCamp through an intentional event in our neighboring apartment communities.

DUE DATE: JUNE 2019

“I AM SO EXCITED TO GET TO KNOW OUR NEIGHBORS CLOSE TO THE CHURCH AND INVITE THEM TO KIDSCAMP. KIDSCAMP IS AN AWESOME PLACE TO INTRODUCE KIDS TO JESUS AND OUR AMAZING CROSSPOINT COMMUNITY.”

–SHARON M.

CROSSPOINT STUDENTS

1.

OBJECTIVE: TO EQUIP STUDENTS TO PURSUE OTHER STUDENTS FAR FROM GOD BY PARTNERING WITH LOCAL SCHOOLS.

As a sending church, it is important that we challenge and prepare our students to reach students within their schools. One way that we plan to accomplish this is by creating a partnership between the Student Ministry, FCA, and the administrators of local schools to get in the doors and bless students involved in athletics, band, clubs, and the administration.

EXPECTED RETURN: By partnering with FCA and school administration, weekly opportunities will open up for students to equip their peers with Bibles who are desperate for the hope and love of Jesus, serve pre-game meals and lead pregame devotions, pray with students before and after games, bless the administration through appreciation gifts and letters, and speak at FCA huddles.

DUE DATE: NOVEMBER 2019

“IN ORDER TO LEAD MY CHILD FAITHFULLY, I NEED TO BE ABLE TO MEET THEM WHERE THEY ARE AT AND UNDERSTAND THE CHALLENGES THEY ARE FACING.”

—MANDY GOODWIN

2.

**OBJECTIVE:
TO BUILD A
SERVING CULTURE
INTO THE LIFE
OF CROSSPOINT
STUDENTS.**

As a church, we hope to see students serving in a regular and ongoing capacity across ministry areas. This year, we hope to see a culture of servanthood take root in all of Crosspoint Students by providing weekly service opportunities, serving at Crosspoint events, and helping students understand how God can use the gifts He has given them.

EXPECTED RETURN: By building a culture of service within Crosspoint Students, we hope to see the number of students engaged in serving others increase in 2019. We expect to see students serving with the Bless Coalition, at Hope for Christmas, Bless Weekend, Serve Saturday, and many other ongoing opportunities throughout the year.

DUE DATE: AUGUST 2019

3.

**OBJECTIVE:
TO PARTNER
WITH PARENTS BY
EQUIPPING THEM
TO DISCIPLE THEIR
STUDENT WITHIN
THE HOME.**

As the culture continues to change, students face a variety of different challenges at school, at work, and with friends each day. For students to be disciplined well, this must start within the home. This year we will begin equipping parents through ongoing training, classes, and resourcing in order to help them be more effective with discipling their student.

EXPECTED RETURN: By equipping parents, we expect to see more and more parents engaging in discipleship at home. With parents being more involved in the spiritual formation of their student, we believe that we will see students following Jesus in greater ways. We believe that families will be strengthened, disciples will be made, and more students will live out their faith in the world due to these efforts.

DUE DATE: DECEMBER 2019

CREATIVE & WORSHIP MINISTRY

1.

**OBJECTIVE: TO
START A MARKETING
AND COMMUNICATIONS
TEAM TO SERVE THE
CHURCH STAFF BY
CREATING EXCELLENT
COMMUNICATION
STRATEGIES THAT
SUPPORT THE VISION
OF CROSSPOINT CITY
CHURCH.**

As we continue to grow as a church, our need for clear communication grows as well. We will build a Marketing and Communications Serve Team (MarCom) and a comprehensive strategy to serve the church with campaign development, graphic design, printing, and digital marketing. This team would be devoted to serving the Crosspoint staff for ministry needs and church-wide communication. We'll be looking for three to five people with graphic design, writing, and editing skills to help get this team started.

EXPECTED RETURN: Our Marketing and Communication efforts will become engaging and compelling. They will drive attention to the ministry opportunities in the church, motivate people to serve, call people to action, and engage people in the vision and mission of Crosspoint City Church.

DUE DATE: FEBRUARY 2019

2.

**OBJECTIVE: TO
PROVIDE VIDEO
CONTENT AND
TRAINING TO EQUIP
THE WORSHIP
MINISTRY.**

In order to live a life of worship, we have to have a hunger for God—to know and understand who He is. One of the visions for the ministry is not only to grow people in skills but to also grow and learn in God's Word. We believe that it is very important to teach our teams who we worship and why we worship. These are the truths of God's Word. We want to help team members in their personal and spiritual growth by developing content and training for them. One way of doing this is by providing videos with pastors on our staff and investing in resources to teach on topics that will help our teams grow in biblical truth.

EXPECTED RETURN: Investing in these videos will allow the people that lead the church in worship to see God clearly, to seek Him desperately, and to experience Him Fully.

DUE DATE: NOVEMBER 2019

3.

OBJECTIVE: TO SUPPORT TWO CROSSPOINT CITY CHURCH LOCATIONS, WE WILL EXPAND THE CREATIVE AND WORSHIP MINISTRY TEAM BY 30 SERVE TEAM MEMBERS AND RAISE UP NEW LEADERS AND COACHES.

We will grow our Creative and Worship ministry teams by 15 people each in order to support the Cartersville campus and the launch of a new campus in Adairsville. We will also raise up three new leaders and one coach for each campus in both the Creative and Worship teams.

EXPECTED RETURN: By growing these teams we will not only support the Cartersville location but we will prepare ourselves for our second campus in Adairsville.

DUE DATE: AUGUST 2019

4.

OBJECTIVE: TO COMPLETE THE AUDIO, VIDEO, AND LIGHTING SYSTEM AT THE COMMONS AND TO SUPPORT FUTURE CROSSPOINT CITY CHURCH LOCATIONS.

This includes equipment that will broadcast the live feed in various rooms and eventually, other campuses. Additionally, the equipment will serve to improve the quality of the experience for serve team members who use the equipment, and it will improve the quality of the experience for the church.

EXPECTED RETURN: This equipment will set us up for the next three to five years of ministry in this current building and help prepare us for additional campuses. This will also give us the tools we need to honor the time our serve team invests in the ministry.

DUE DATE: DECEMBER 2019

COMMUNITY ENGAGEMENT

1.

**OBJECTIVE: TO
WORK WITH ENVISION
ATLANTA (THE U.S.-BASED
ARM OF OUR PARTNER
ORGANIZATION IN BURKINA)
TO INVEST IN THE REFUGEE
COMMUNITY LIVING IN
CLARKSTON, GA.**

Clarkston is the most diverse square mile in the world due to its large population of refugees from various war-torn nations. There are over 200 different people groups living there and 90 of them are completely unreached. This is a unique opportunity for our church to send teams to do ministry with people from other countries without leaving the United States.

EXPECTED RETURN: We believe that through serving in Clarkston we will see churches planted, unreached people groups come to the Gospel, and missionaries sent out to serve in their home nations.

2.

**OBJECTIVE:
TO INVEST IN
THE ALLATOONA
COMMUNITY
THROUGH FINANCIAL
PLANNING,
NUTRITION CLASSES,
AND GED CLASSES.**

In 2018 we saw the number of families attending Serve Saturday increase from an average of 45 per month in January to an average of 120 by August. We now know that we are investing regularly on a basic level in a large population of people who trust us. Through our partnership with the BLESS Coalition and the UGA Extension program, we are now able to offer the opportunity to increase literacy, physical health, employment, and financial peace.

EXPECTED RETURN: With this offered “hand up” we will start to create a more economically self-sustaining population.

3.

**OBJECTIVE:
TO BUILD CHRIST
CENTERED FAMILY
SUPPORT THROUGH
COUNSELING
AND PARENTING
CLASSES IN
ALLATOONA.**

Multigenerational poverty begins with the idea that because something “always was” it will never change. We know and believe it ends with eradicating that thought process by providing several opportunities for families to grow together through investment in professional counseling and parent education. Partners like Allatoona Elementary School, the Allatoona Resource Center, and the BLESS Coalition help make all of this possible by providing necessary space, logistical assistance, and expertise.

EXPECTED RETURN: We believe that this will help families to prioritize education and mutually support one another by creating a greater sense of community, as well as provide invaluable practical information to help improve children’s lives.

ABOUT BLESS: The BLESS Coalition is a nonprofit organization that brings churches, nonprofits, business, and government/educational entities together to eliminate multi-generational poverty.

WORLD ENGAGEMENT

1.

**OBJECTIVE: TO SEND
OUT OUR FIRST TEAM TO
SERVE IN SCOTLAND.**

Scotland is a nation with a rich Christian history. At the turn of the 20th century 75% of the population was attending church regularly. Today less than 2% of Scotland's population identifies as evangelical Christian, officially making the Scottish people an unreached people group.

EXPECTED RETURN: We will partner with a local church in Scotland, the Crosspoint Community Church and the Heralds Trust, to raise up pastors, plant additional churches, and share the Gospel in Scotland.

2.

**OBJECTIVE:
TO CREATE A
MISSIONARY
NETWORK FOR
THOSE FROM
CROSSPOINT
LIVING ABROAD TO
STAY CONNECTED
AND CONTINUE TO
BE AN ACTIVE PART
OF OUR CHURCH.**

Over the last few years we have seen massive growth in the number of people responding to God's call to serve Him in other nations. Since 2015, seven people from Crosspoint have gone to serve in other countries around the world full time—and the level of interest in our people to move abroad is only growing stronger. This has created a need for us to have a Crosspoint Missionary network in place to help these missionaries feel connected to their home church.

EXPECTED RETURN: An established line of communication that helps us to better invest in and help our missionaries by connecting with one another, providing counseling/prayer, and sharing what Christ is doing in their lives with their Crosspoint family.

3.

**OBJECTIVE:
TO INCREASE OUR
CONTRIBUTION TO
WELL DRILLING IN
BURKINA TO THREE
WELLS IN 2019.**

With the move to our new space and the growth in attendance, we have seen an increase in overall sales in the Coffee Bar. We believe that this trend will continue, allowing us to do more in Burkina Faso than we have in the past.

EXPECTED RETURN: Each well we drill provides clean water for 800 to 1,200 people living in a village, meaning that we now have the potential to provide water for up to 3,600 additional people every year!

4.

**OBJECTIVE:
TO FUND THE
BUILDING OF A
NEW COMPASSION
INTERNATIONAL SITE
IN BURKINA FASO AND
FULLY SPONSOR THE
CHILDREN SUPPORTED
BY THAT SITE.**

According to Compassion International, there are still about 5,000 kids that they work with in Burkina Faso who do not have sponsors. To meet as much of this need as possible we will provide the funds for a new site to be built in the capital city of Ouagadougou and sponsor at least 500 kids so that the site can be fully functional.

EXPECTED RETURN: This new facility will help Compassion International serve and care for more kids who need sponsors, and provide for many children who already have sponsors.

MULTIPLICATION

1.

**OBJECTIVE: TO
LAUNCH A SECOND
CROSSPOINT
CITY CHURCH IN
ADAIRSVILLE.**

Approximately 130 families living in North Bartow and South Gordon drive more than 20 minutes to come to Crosspoint each Sunday. In September of this year we plan to commission and send these families out with Campus Pastor, Jason Cribb, to start a second Crosspoint City Church location in their own community.

EXPECTED RETURN: By launching a second Crosspoint location, the 130 North Bartow/South Gordon families will have greater opportunities to impact their local communities with the Gospel. A second location makes it much easier on them to invite neighbors, friends, and coworkers to church. At the same time, it provides greater opportunities to partner with new churches as well as expand our community care efforts. Overall, this new church plant allows us to relentlessly pursue more people who are far from God, helping them to know and follow Jesus.

**“PLANTING NEW CHURCHES IS THE MOST EFFECTIVE
EVANGELISTIC METHODOLOGY KNOWN UNDER HEAVEN.”**

—C. PETER WAGNER

2.

OBJECTIVE: TO OFFER MORE INTENTIONAL LEADERSHIP TRAINING BY STARTING A SCHOOL OF MINISTRY.

As part of our multiplication efforts, we plan to start a school of ministry through which church leaders and lay leaders can receive intentional training in theology, leadership, and disciple making. Leaders will be able to choose from different tracks based on interest and/or calling.

EXPECTED RETURN: Through this school of ministry we expect to raise up more Kingdom minded lay leaders, business leaders, interns, pastors, and church planters. Our goal is to equip different people in different ways so they can make a Gospel impact wherever God might send them.

3.

OBJECTIVE: TO INVEST IN 7 YOUNG LEADERS THROUGH THE CROSSPOINT INTERNSHIP PROGRAM.

Our Internship Program continues to be highly effective in developing young ministry leaders. In fact, two of our staff hires came out of this program last year! In 2019 we plan to continue these efforts, equipping a new group of young men and women to explore and carry out the calling God has placed on their lives.

EXPECTED RETURN: Through our continued investment in internships, we expect to develop capable men and women who can serve as future staff members either at Crosspoint or other churches.

2019 MINISTRY PLAN BUDGET

When the Crosspoint Staff and Serve Team Leaders crafted this Ministry Plan, they also submitted a dollar amount needed to accomplish each ministry objective. Below, you will find the total dollar amount needed to accomplish this entire plan. You will also find the total operating budget broken out into five separate categories, providing clarity on money allocation. On the following page, you will find a practical breakdown of how we can financially tackle this plan together. We trust that as we give generously to this plan together, God will do His part and that the expected returns for each ministry area will become realities.

2019 TOTAL MINISTRY BUDGET **\$2,350,000**

2018 GIVING TOTALED: \$2,355,882 (INCLUDES MONEY GIVEN TO NEXT AND \$150K CHALLENGE)

*PERSONNEL TO LEAD MINISTRY

\$1,211,272

*NATIONAL AVERAGE OF PERSONNEL EXPENSES FOR CHURCHES IS 45-55% OF TOTAL BUDGET

RESOURCES TO FACILITATE MINISTRY

GIVING BREAKDOWN

The breakdown below provides insight into the total dollar amount needed on a weekly basis to accomplish this Ministry Plan. You'll also find the weekly amount broken down by our average adult attendance. As you'll see, even giving a little makes a big difference. If you're not currently investing in the ministry and work of Crosspoint, we hope that the breakdown below encourages you to do so this year.

2019 BUDGET GENERAL GIVING WEEKLY NEED:

$$\$2,350,000 / 52 \text{ weeks} = \$45,192$$

PER PERSON GIVING:

$$\$45,192 / 1151^* = \$39.26 / \text{person/week}$$

**1151 IS THE AVERAGE ADULT ATTENDANCE EACH WEEK AT CROSSPOINT.*

As you can see, this ministry budget is very attainable. If the average attendee at Crosspoint gives just over \$39 each week in 2019, we can tackle every single objective included in this plan. I know that many of you give well beyond this amount every week, and for that I'm grateful. If you're not currently investing in the ministry at Crosspoint, I pray that this amount might serve as a starting point for you this year. Our prayer for 2019 is that our church would continue to grow in generosity and that we would blow this ministry budget out of the water. If that happens (and I'm believing it will), every dollar that comes in above \$2,350,000 will go into our reserves/future planning account for unforeseen opportunities and future ministry plans. Let's pray, let's give, and let's trust God to do more in 2019 than we can ask or imagine!

Pastor James

FINANCIAL SAFEGUARDS

We take very seriously stewarding well the money that you give to Crosspoint each week. The following financial practices and safeguards are in place for accountability purposes.

- All donations are counted on Sundays in a locked office by a team of people.
- Deposits are made weekly following Sunday Gatherings. Reports are created during Sunday counts, and those reports are reconciled on a weekly basis with bank deposit records.
- Crosspoint Leadership communicates monthly with In-Rhythm Consulting to reconcile all monthly revenues and expenses and to ensure that we are operating within our budget.
- We undergo a voluntary CPA review each year to ensure that our financial systems are healthy and that we are operating with integrity in this area.
- Financial oversight and accountability is provided by the Crosspoint Elders and Stewardship team. The Elders are also responsible for providing approval to final Ministry Plans and budget decisions.
